

Festival of the Voice
Sunday, November 6, 2016
Concerts at 3:00 PM and 7:00 PM
Ticket Information

Tickets for the *Festival of the Voice* are \$5, and must be purchased with cash or check at the Raue Box Office. We ask that you make a donation on the day of the concert to the Crystal Lake Food Pantry. This can be a cash donation or items from the pantry's "Top 20 List" (it can be viewed at: www.clpantry.org). There will be a locked collection box for cash and checks, and a table for item donations in the Raue Center lobby.

One important thing about tickets: audience seating will be VERY LIMITED due to the number of performers in each concert, especially at the 3PM concert. The choirs will be sitting in the theater. The 3PM concert has nine (9) choirs, leaving about 420 audience seats. The 7PM concert has nine (9) choirs, leaving about 470 audience seats. We want to avoid having more audience than seats.

Here is how to get tickets:

1. Tickets must be purchased at the Raue Box Office, 26 N. Williams St. Box Office hours are Monday through Saturday, from noon – 4:00 PM. It is also open an hour before any concert at the Raue. The Box Office is closed on Sunday.
2. You can call and reserve tickets over the telephone (815-356-9212). They will be held at "Will Call" in the Box Office. No tickets will be mailed. Tickets will not be available online.
3. Tickets are on a "first-come-first-served" basis. Though the box office will be open one hour before each concert, there will likely not be any tickets left on the day of the concert.
4. Each family is allowed a maximum of three (3) tickets for the 3PM concert.
5. Each family is allowed a maximum of four (4) tickets for the 7PM concert.
6. Families can get tickets to both concerts.
7. All seating is general admission, again on a "first-come" basis.
8. Patrons are asked to fill out the back of their tickets.
9. Tickets will be honored at only the concert time on the face of the ticket.
